- “Top”-Ten color science light bulb jokes.

Commemorating 10 years of CIC

10. How many multi-spectral researchers does it take to change a light bulb?

Commemorating 10 years of CIC

10. How many multi-spectral researchers does it take to change a light bulb?

One (but there's a good chance you'll end up with anywhere from six to ten times as many light bulbs as when you started).

Commemorating 10 years of CIC

9. How many color gurus does it take to change a light bulb?

Commemorating 10 years of CIC

9. How many color gurus does it take to change a light bulb?

One and they will patiently point out that you should only really change the dark bulbs, not the light ones.

Commemorating 10 years of CIC

8. How many color metrologists does it take to change a light bulb?

Commemorating 10 years of CIC

8. How many color metrologists does it take to change a light bulb?

Three. One to change the bulb and two to argue whether the old bulb was D50 or D65.

Commemorating 10 years of CIC

7. How many color standards representatives does it take to change a light bulb?

Commemorating 10 years of CIC

7. How many color standards representatives does it take to change a light bulb?

Define “lightbulb”...

Commemorating 10 years of CIC

6. How many color psychophysicists does it take to change a light bulb?

Commemorating 10 years of CIC

6. How many color psychophysicists does it take to change a light bulb?

One but you'll need a truckload of lightbulbs if it's a paired-comparison forced-choice replacement.

Commemorating 10 years of CIC

5. How many IS&T/SID Color Imaging Conference presenters does it take to change a light bulb?

Commemorating 10 years of CIC

5. How many IS&T/SID Color Imaging Conference presenters does it take to change a light bulb?

None, in fact, can you dim the lights some more?

Commemorating 10 years of CIC

4. How many IS&T/SID Color Imaging Conference AV Chairs does it take to change a light bulb?

Commemorating 10 years of CIC

4. How many IS&T/SID Color Imaging Conference AV Chairs does it take to change a light bulb?

Only one. But you might want to have a second one check the focus while your at it.

Commemorating 10 years of CIC

3. How many Retinex researchers does it take to change a light bulb?

Commemorating 10 years of CIC

3. How many Retinex researchers does it take to change a light bulb?

None. What's the light bulb got to do with anything? (But you'll probably need 2 or 3 to change the edge-ratios in the room)

Commemorating 10 years of CIC

2. How many color management experts does it take to change a light bulb?

Commemorating 10 years of CIC

2. How many color management experts does it take to change a light bulb?

It depends. Do you think you might need to use the light bulb in another room?

Commemorating 10 years of CIC

1. How many CIE TC 8-01 members does it take to change a light bulb?

Commemorating 10 years of CIC

1. How many color management experts does it take to change a light bulb?

The light bulb is easy, who is going to change the surround?
